

Apple Day/ Field Day Invitation

Dear visitors of Apple Day,

On 27 June 2019, Apple Day will take place, this is a seminar/exhibition about the cultivation of modern and innovative apple production at the fruit farm of Versteegen in Opijnen, the Netherlands.

In 2017 we have welcomed over 2000 people on Apple Day which included a large number of international visitors.

This year, the day after the Apple Day, the Delphy consultancy company will introduce Field Day on 28 June 2019. We will visit various orchards and related companies. The Delphy consultants will explain the cultivation technical advisories during the excursion.
